Why Join The Planetary Society?

Planetary Society Members in 125 countries asked themselves the same question.

Our Members are explorers of the solar system, seeking other worlds and searching for extraterrestrial life. As a Member, you'll be part of making new ventures happen, from Mars exploration...to solar sailing...to SETI projects in both hemispheres...to detecting and mapping near Earth objects...to searching for planets beyond our solar system...to helping unravel the mysteries of the Universe.

By becoming a Member, you can do more than just witness advances in planetary exploration and discovery, you can actually play a role in making them happen.

Plus, as a Member, you get all these other great benefits:

- Six issues a year of *The Planetary Report*, our acclaimed Members-only magazine—you can also access it online, including past issues;
- Opportunities to participate in space missions—through contests, projects, and advocacy—and to influence the course of space exploration;
- Your voice will be heard by space agencies around the world through our respected advocacy campaigns;
- Access to the Members-only section of our website;
- Your own Planetary Society Membership Card;
- Monthly electronic action alerts and snapshots of what's happening in the space community;
- Invitations to events in your community;
- Discounts at planetariums;
- Savings on Planetary Society merchandise; and
- Knowing that you are shaping space exploration.
